## Fiddlers ReStrung 2013-2014

A 21-piece string ensemble spotlighting over 80 performances annually, Fiddlers ReStrung engages the audience with energy and witty charm, advocating a message of spontaneous enthusiasm born of a genuine live performance. They proudly display a diverse arrangement of styles. American Bluegrass, Celtic fiddle, popular folk, Appalachian Step-dancing, Progressive Acoustic, and more are all brought forward with a crisp, enterprising flair.

ReStrung consists of students at Saline High School, all of whom share in producing a unique ensemble truly their own. Working alongside leadership, students craft their own arrangements and help make organizational decisions. This collaborative ownership grants ReStrung an authentic, creative edge that is clearly visible from the striking energy they portray on stage.

Fiddlers ReStrung prides itself on being highly adaptable; no venue is too small, no stage too large. In addition to touring nationally each summer, they donate a third of their yearly schedule to community service events. They provide workshop opportunities for schools around the country as well as host an annual December Hometown concert in support of the USMC's Toys for Tots program.
